No building, fence, wall, driveway, swimming pool or other structure or improvements, regardless of size or purpose, whether attached to or detached from the main residence shall be commenced, placed, erected, nor shall any additions to or exterior change or alteration of appearance be made to any existing structure or building unless and until building plans and specifications covering same, showing the nature, kind, shape and height, size, materials, floor plans, exterior color schemes, location and orientation and square footage, construction schedule and such other information as the Declarant shall require, have been submitted to and approved by the Declarant pursuant to Article XI, Section 1 hereof. Section 3. Quality Design and Color. Unless specifically approved in writing by the Declarant all buildings to be either constructed, repaired, painted or changed on the exterior shall be substantially equal to the quality of materials and color as all other buildings on the Property. Notwithstanding anything contained in Article XI, Section 1, the failure by the Declarant to respond within 30 days of the date of request for approval under this section shall be deemed to be a denial of such request.

Section 4. No Parking of Vehicles or Boats. No wheeled vehicles of any kind, boats, trailers, mobile homes or any offensive objects may be kept on driveways or rights of way of the Property unless consented to by the Association. Association may require that all such vehicles be parked in a designated area which parking may be subject to payment of a special use fee.

Section 7. Commercial Signs. Nothing contained herein shall prevent the Declarant or any person designated by the Declarant from erecting or maintaining such commercial and display signs and such temporary dwellings, model houses and other structures as the Declarant may deem advisable for development, marketing or sales purposes including using one or more garages for sales offices.

Section 8. Aerials and Antennas. No television aerial or antenna nor any other exterior electronic or electric equipment or devices of any kind shall be installed or maintained on a Unit except during the period of construction.

Section 9. Mail Boxes. Only a mail box or newspaper box approved by Declarant may be used. No other receptacle of any kind for use in the delivery of mail or newspapers or similar material may be used.

Section 13. Waiver of Covenants and Restrictions. Declarant reserves the right to release any Unit from any part of the covenants and restrictions contained in this Article VI as Declarant determines in its sole judgment.

ARTICLE VII

INSURANCE

Section 1. Insurance Coverage. The Association shall secure and maintain a property damage insurance policy with a company licensed to do business in Florida to cover the full replacement value of all permanent buildings on the Property, including the Units. The Association shall obtain such insurance as required by law and may obtain such other insurance on the Common Area and Units as it deems in its discretion to be in the best interest of the Association or the Owners.

Section 2. Insurance by Owner. Each Owner shall have the responsibility of obtaining insurance to cover his personal property including all upgrading and betterments to his Unit.

Section 3. Cost of Association Insurance. The cost of the insurance coverage provided by the Association for improvements to a Unit shall be an expense for which only the Owners of Units on which the improvement has been completed shall pay their pro rata share as a part of the assessment levied by the Association. Common Area insurance shall be an expense against all Owners. In the event the cost to the Association of insurance coverage is increased because of the action or inaction of an Owner, his family, guest, or tenants, then such increase shall be an additional assessment against the Owner.

Section 4. Named Insured. The named insured on all policies of insurance obtained by the Association shall be the Association for property owned by the Association, and shall be the Association as agent for all of the Owners and their mortgages, as their interest may appear, for property owned by the Owners.

Section 5. Insurance Proceeds. All insurance proceeds received by the Association shall be held by the Association in trust for the purposes for which they are intended.

ARTICLE VIII

DAMAGE AND REPAIR

Section 1. Rebuilding. All rebuilding and repairing of all damaged property shall be subject to the provisions of Article VI, Section 2 and Section 3 and all other provisions in this Declaration.

Section 2. Damage to Common Area. In the event any of the Common Area is damaged, the Association shall cause such Common Area to be repaired or rebuilt unless eighty percent (80%) of the votes entitled to be cast in the Association vote within 60 days of the casualty to not repair or rebuild such Common Area.

Section 3. Damage to Units. In the event a Unit is damaged, then such Unit shall be repaired or rebuilt unless eighty percent (80%) of the votes entitled to be cast in the Association and the Owner thereof vote within 60 days of the casualty not to repair or rebuild such damaged Unit.

Section 4. Cost to Repair or Rebuild. The cost to rebuild or repair damaged property shall be paid from the proceeds of insurance to the extent available. In the event the cost to build or repair the damaged property exceeds the amount of the insurance proceeds, then each Owner shall pay such deficit for repairing or rebuilding property owned by him and each Owner shall pay his pro rata share of the deficit for repairing or rebuilding Common Area property.

Section 5. Property not Repaired or Rebuilt. In the event it is decided as provided herein not to repair or rebuild damaged property, then such damaged property shall be removed or placed in an aesthetically pleasing condition in harmony with the building and landscaping of the Property.

ARTICLE IX

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the Units and placed on the dividing line between the Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the Owners abutting said wall.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, the party wall shall be repaired or rebuilt as soon as practical, unless it is decided not to repair or rebuild as provided elsewhere herein. The cost of repairing or rebuilding not covered by Association Insurance shall be paid in equal portions by each Owner abutting the wall; provided, however, the payment of any sum required hereunder shall not in any way prejudice the right of an Owner to seek damages against another Owner or other person or entity under any rule or law regarding negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

ARTICLE X
EASEMENTS

Section 1. Recorded Easements. The Units and Common Area shall be subject to all easements recorded in the Official Records of Okaloosa County and the Plat of Gleneagles Green.

Section 2. Utility Easements. The Declarant for itself and its successors and assigns, hereby reserves and is given an easement, privilege and right on, over and under the ground to erect, maintain and use electric and telephone wires, cables, conduits, water mains, drainage lines or drainage ditches, sewers and other suitable equipment for drainage and sewage disposal purposes or for the installations, maintenance, transmission and use of electricity, gas, telephone, lighting, heating, water, drainage, sewage and other conveniences or utilities on, in, over and under all of the easements shown on said plat (whether such easements are shown on said plat to be for a specific purpose or general purpose) in, over and under designated easements. The Declarant shall have the unrestricted and sole right and power of alienating and releasing the privileges, easements and rights referred to in this Section. The Owners, subject to the privileges, rights and easements referred to in this Section, shall acquire no right, title or interest in or to any wires, cables, conduits, pipes, mains, lines or other equipment or facilities placed on, over or under the Unit which is subject to said privileges, rights and easements. The Declarant reserves the right to designate the users of all such easements.

Section 3. Easement for Maintenance. Each Owner grants an easement to the Association at reasonable times to go in his Unit to perform the maintenance as required in this Declaration. The Association may designate others to use such easement for the purpose of performing the work.

Section 4. Covenant Running with the Land. The easements granted and reserved in this Article X shall be perpetual (unless otherwise stated), and covenants running with the land and be a burden upon the Property.

ARTICLE XI

MISCELLANEOUS

Section 1. Approval. Wherever in this Declaration the consent or approval of the Declarant or the Association is required to be obtained, no action requiring such consent or approval shall be commenced or undertaken until after a request in writing seeking the same has been submitted to and approved in writing by the Declarant or Association, as the case may be. Such request shall be sent to the Declarant or Association by Registered Mail with return receipt requested. In the event that the Declarant or Association fails to act on any such written request within 30 days after the same has been submitted as required above, the consent or approval to the particular action sought in such written request shall be presumed, except as provided in Article VI, Section 3; however, no action shall be taken by or on behalf of the person or persons submitting such written request which violates any of the provisions of this Declaration.

Section 2. Declarant May Designate A Substitute. The Declarant shall have the sole and exclusive right at any time and from time to time to transfer and assign to, and to withdraw from such person, firm or corporation as it shall elect, any or all rights, powers, privileges, authorities and reservations given to or reserved or under the provisions herein contained; provided, however that on the date the Declarant, or its designated assigns, no longer is the record owner of a Unit in Royal Oak Villas, all of the rights, powers, privileges, authorities and reservations given or reserved to the Declarant in this Declaration shall automatically pass to the Association.

Section 3. Amendments by Declarant. The Declarant reserves and shall have the right (a) to amend this Declaration but all such amendments shall conform to the general purposes and standards herein contained; (b) to amend this Declaration for the purpose of curing any ambiguity in or any inconsistency between the provision contained herein; and (c) to include in any contract or deed or other instrument hereafter made, any additional covenants and restrictions applicable to the said Property which do not lower the standards of the covenants and restrictions herein contained.

Section 4. Amendment of Declaration by Class A Members. The Class A members of the Association may amend this Declaration only with the written consent of the Declarant, for as long as the Declarant shall own a Unit, and with the vote of seventy five percent (75%) of the votes entitled to be cast by the Class A members.

Section 5. Additional Restrictions by Owners. No Owners, without the prior written consent and approval of the Veterans Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation or any other governmental or quasi governmental agency which has an interest in the Property may impose any additional covenants and restrictions on any part of the land shown on the plat of the Subdivision.

Section 6. Remedy For Violation. If any person, firm or corporation, or other entity shall violate or attempt to violate any of the provisions of this Declaration, the Declarant or the Association may (a) prosecute proceedings at law for the recovery of damages against those so violating or attempting to violate any such provision or (b) maintain a proceeding in equity against those so violating or attempting to violate any such provisions for the purpose of preventing or enjoining all or any such violations or attempted violations. The remedies contained in this paragraph shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of the Declarant, its successors or assigns, or the Association to enforce any covenant or restriction or any obligation, right, power, privilege, authority or reservation herein contained, however long continued, shall in no event be deemed as a waiver of the right to enforce the same thereafter as to the same breach or violation thereof occurring prior to or subsequent thereto. Unit Owners found in violations of these restrictions shall be obliged to pay attorney's fee to the successful plaintiff in all actions seeking to prevent, correct or enjoin such violations or in damage suits thereon.

Section 7. Severability. All provisions contained in this Declaration shall be deemed several and independent. The invalidity of one or more or any part of one provision shall in no way impair the validity of the remaining provisions or part thereof.

Section 8. Right to Remedy Violations. In the event of the violation of any of the provisions of this Declaration or the failure by an Owner to do any act required herein, then the Association shall have the right to enter upon a Unit to correct or remove such thing or condition that is contrary to intent and meaning of this Declaration, or do such act as required herein, at the expense of the Owner of such Unit, and the Association shall not be deemed guilty of any trespass or tort. In the event the Association expends any sum in correcting such violations or performing such acts, then the Association may assess such sum against the Unit.

Section 9. Rules and Regulations. The Association may adopt and amend from time to time such rules and regulations as it deems in the best interest of the Royal Oak Villas, provided such rules and regulations do not conflict with this Declaration.

IN WITNESS WHEREOF Declarant has executed this Declaration as of the 15th day of September, 1983.
