Subject: Solid Waste Collection

Dear Sir/Madame:

Pursuant to our long-standing contract with Waste Management for solid waste collection we want to remind you of the services provided:

- Garbage is picked up twice a week using a 96 gallon roll cart.
- Recycling is picked up once a week in a yellow lid 96 gallon roll-cart.
- **Yard trash is picked up once a week and should be containerized in bags or cans. If it cannot be containerized it should be placed in bundles, piles, or stacks with sizes no greater than 4 inches in diameter or 6 feet long; and weigh no more than 50 pounds.**
- Bulk waste is picked up once a week and includes items such as furniture and appliances. Other bulky items should not amount to more than four cubic yards per pick up.
- *Household Hazardous Waste such as paint, pesticides, used oil, gas, antifreeze, pool chemicals, fluorescent lamps, TVs, computers, etc., must be dropped off at the County's Household Hazardous Waste (HHW) location. Call 301-2013 for hours and location.*

Unless otherwise authorized by the County placement of waste should be on the right of way in front of the residence.

Should you have any service related questions please call Waste Management at 850-301-2822.

Thank you,

Jim Reece
Solid Waste and Recycling Coordinator
